Conditions for the Supply of Electrical Energy & Fittings on Hire

1. Supply 240 volts Single Phase, 415 volts Three Phase 50 cycles Alternating Current (AC).
2. The charges detailed on the price list include for the supply **on hire** and installation from the electricity power supply, a proportion of the necessary mains cable, overhead/underground network, switchfuse and control gear, together with all necessary circuit wiring and fittings and for taking down and removing at the close of Show.
3. The Electricity Supply will be terminated at the nearest point on the stand to the distribution pillar. Exhibitors requiring a different termination point should give details on a separate paper and attach it to the application.
4. It is strictly understood that **one** item of equipment only is connected to each point. **The use of bayonet adaptors is prohibited.**
5. All exhibitors will be held responsible for any materials, etc. which are damaged or missing at the end of the Show and **it is the responsibility of the exhibitor to ensure that equipment is returned in good order.**
6. Applications for the supply must be received by us **not later than the date stated on the order form**, after which date no guarantee will be given that the work will be carried out, but if it is carried out the cost will be as price list plus the surcharge for modifications to our supply network.
7. We reserve the right to refuse to connect to the supply any faulty equipment. Any work carried out on equipment to bring it to the required standard will be charged on a time and material basis.
8. **The use of personal generating sets is strictly prohibited other than for the purpose of demonstration.**
9. Supply of electricity should normally be available to most stands from mid-day on the day prior to the show commencing until the official closure of the show. However, should this not be possible for whatever reason this company cannot be held responsible and will not accept any claims for loss of earnings or otherwise.
10. Refunds for cancellations will only be given if notice of cancellation is received by the Tradestand Office prior to the deadline date of the 22 June 2012.
11. Any portable electrical appliance over 12 months old, intended for use at this event must display a valid PATS tested certificate, otherwise power will not be connected.
12. Appliance Hire Period - From Monday 23 July 2012 to 8pm 26 July 2012.
