

# EXHIBITION & TRADE STAND SECURITY ALARM HIRE

FROM £25 A NIGHT

The 'Armadillo' Exhibition & Trade Stand security alarm is the only Police Approved and Recommended rapid deployment security solution for protecting individual retail units and compounds within an exhibition environment, whether in-doors or out.

The wireless, battery powered units detect and communicate real time notification of unauthorized intruders both to you and to the dedicated on-site response security staff, eliminating the risk of theft from your exhibition space. Additional bespoke voice warning units also available.

- The Armadillo Exhibition & Trade Stand Security Alarm is a wireless, battery powered intruder detection and warning system developed specifically for guarding exhibition stands against overnight theft and vandalism.
- Available for hire for the duration of the exhibition.
- All equipment is freestanding and only deployed during exhibition downtime by our professional staff.
- Battery powered and portable it has no visual effect on your stand during opening hours.
- Both indoor and outdoor exhibition space can be protected.
- Fire and flood protection available.
- Bespoke verbal warning messages available.
- Monitored by on-site security staff to provide instant response to deter and prevent theft from your exhibition stand.
- Modular system allows for additional detectors to be added at any time to account for changing stands.
- Secure central server log of all alarm activity for audit trail.

## Tested, Proven, Recognised

'Armadillo' is an Officially Police Accredited Product and PID Systems Ltd a licence holder of the 'Secured By Design' mark which is awarded by the Association of Chief Police Officers Crime Prevention Unit (ACPO CPU).
